How do you think visuals help us understand stories better?

Why Visuals Matter

**1** They give us clues about characters feelings, actions, and setting

2 They show emotions, help us picture the setting, and see what's happening

Guided Reading

Meet at the back table for a guided reading group! While we read, let's analyze how the visuals support the text.

Drag and Drop

On the next slide, complete the drag and drop game. Match the picture to what story element it supports.

Example: A picture of a city supports the setting
